Our Mission of the Month for January is a relatively new ministry called **Redeeming Life Outreach Ministry**. This is a pro-life ministry that provides positive, loving maternity home support for women who would otherwise have no other recourse than to abort their babies. It offers hope, love, and a future to single pregnant women in crisis. These are women who lack stable housing and financial resources, for whom our mission of the month provides a safe place to stay during their pregnancy, along with spiritual guidance, life skills training, and job support. The program provides parenting training for those women who want to keep their babies, and emotional support for those who plan to put their babies up for adoption.

**WOMEN'S BIBLE CLASS** on Tuesday mornings is on "hold" until February because of the contagious nature of the Omicron and the frigid temperatures. Stay tuned for the start-up date!

**KEEP YOUR ESTATE PLANS AS SIMPLE AS POSSIBLE:** An estate plan includes many legal documents: wills, trusts, power of attorney, health care representative, etc. Many of these documents control who is responsible for your affairs in your last days on earth and after the Lord calls you home. Your attorney will present the decisions to be made and create clear direction according to state law to make sure your wishes are followed. In selecting these people, your choice will not just be a business one, or legal one. In addition, you focus on what makes you different, your connection with Jesus. Who are the faith-filled, responsible people in your life you choose? Ray Pagels, our Christian Gift Planning Counselor can get you thinking and praying. Contact Ray at 847-226-2262 or [ray.pagels@lfnd.org](mailto:ray.pagels@lfnd.org).
