**FOOD PANTRY UPDATE:** Along with the usual food items and paper products (those are always welcome), there is a current need for canned fruit, canned corn, canned beans, and packages of spaghetti. Thanks to everyone for your ongoing support.

---

**SHARE THE JOY:** In their book *Finish the Mission*, John Piper and David Matthis suggest that Christians have a responsibility to not only bring the Gospel to the unreached, but to share it with people who have had access to the Gospel but are still unengaged with its message. Your special relationship with people you know gives you an "in" to help them see the blessings you have received by being an engaged member of Christ's family. Be open, honest, and loving, and do not fail this most important messaging of God's love for all people.

**MISSION OF THE MONTH: Lutheran Hour Ministries**, our July Mission of the Month, is best known for the long-running radio program The Lutheran Hour. Originally funded by the Lutheran Layman's League, the program first aired in 1930, making it the longest-running Christian outreach program. The program currently runs on more than 1600 stations in over 30 countries. Its motto is "Bringing Christ to the nations—and the nations to the Church." The program is independently funded by generous Christians who want to reach unchurched people. Our Pastor Matt Hoffmann's grandfather Oswald Hoffmann was the Lutheran Hour speaker for many years.

**MAKING DONATIONS ELECTRONICALLY:** There are two ways to donate to St Andrews electronically - you can use either a smart phone app (VancoMobile) or our website (standrewsparkridge.org). The QR code at the top of the front page will take you directly to the website donation page - no need to enter the URL, and no need to use the "Click HERE to Give" link on that page. Both options allow you to make one time donations or to set up regularly scheduled (weekly or monthly) donations, and to designate the purpose of your donation.

**HEARING ASSISTANCE:** St Andrews has a system which amplifies the sound of our pastors, musicians and readers. Two types of receivers are available. One type clips to your ear, the second type is a loop that is worn around your neck and feeds the sound directly to your hearing aids (if they have telecoil capability). The receivers are stored on the pulpit, readily available for use. They're very easy to try. If you'd like to check them out, please ask Pastor Matt, Pastor Sam or John Snow for assistance.
